Re: William Mayo v. John E. Wetzel, No. 1:18-CV-0878

To: Mr. Barrett, Esq.

I'm writing you this brief notation to inform you that I received a notification from the administration here at SCI·Phoenix establishing that I have a telephone conference call scheduled with you on February 2, 2023 (at 10:15 AM), yet upon being escorted to the designated area I noticed that the connection wasn't made, so if all possible can you drop me a few lines to let me know both what transpired and what's the status with counsel for defendant (i.e. Ms. Lindsey A. Bedell, Esq.) willing-

ness to settle this action?

Be that as it may, I emphasize "willingness to settle" given I've been contemplating mot<sup>v</sup>oning the court for the appointment of counsel if this matter has to proceed to trial, so can you get back to me at your earliest convenience.

If you was so kind to honor my request I would like to utilize this opportunity to thank you in advance

Respectfully submitted,  
W. Mayo
